

Best Paper Award Nomination Form

(PostDoc)

TEXAS A&M UNIVERSITY

Department of Materials
Science and Engineering

Recognizes a postdoctoral researcher (postdoc) appointed in the group of a MSEN faculty member for an outstanding, peer-reviewed publication firstauthored by the postdoc while still employed in the position that supported the work. The publication must be accepted by the award application deadline, but need not yet be published. The paper for which the postdoc is being nominated must list MSEN as the postdoc's primary affiliation.

Nominee Name: _____

Nominee Email: _____

Nominator Name: _____

Nominator Email: _____

Nominator Phone: _____

Nominator Campus Mail Stop: _____

The nomination packet must include the following:

- Completed Nomination Form
- A one-page Nomination Letter (written by nominating faculty member)
- Most up to date copy of the publication for which the student is being nominated*

Who can nominate: Any MSEN faculty member or the thesis supervisor of the MSEN student being nominated

**If the paper has not yet been published, please provide proof of acceptance of the publication (e.g. copy of acceptance email from editor). If the nomination is for a student who has already graduated, please provide proof of submission of the paper prior to graduation (e.g., copy of the submission confirmation email from the journal).*

Nomination packets should be emailed to Erin Bandza, Academic Advisor of Graduate Programs at ebandza@tamu.edu

Please visit MSEN Awards web page for additional details on submission deadlines. | tx.ag/MSENAwards
